

Rules for iGeneration Student Video Challenge 2018

Catholic Independent Schools, Diocese of Prince George

Eligibility Criteria

- Student productions are those that are produced, directed, planned and technically completed entirely by students who attend a Catholic Independent School in the Diocese of Prince George (CISPG). The involvement of parents, teachers and professionals is limited to non-creative roles (ie. technical advice or teaching them how to use the equipment, how to set up shots, permissions, asking students good questions).
- Only students of CISPG schools from grades 4 through 9 are eligible. For combined grade students, entry level is determined by the highest grade of all students involved with the production. If a sponsor teacher would like to support a primary entry, it will be entered as a grade 4 entry. It is suggested that students work independently, in pairs, or as an entire class.
- Non-students may be used as actors and for voice-overs as long as they are directed by students
- Productions must be completed and submitted by the deadline of 4pm May 4th, 2018.
- Total running time, including credits, is no longer than 3 minutes for Choice #1, #2 and #4, and a maximum of 5 minutes for Choice # 3.
- Entries must be suitable for use on the CISPG website (with permission from student, family, actors and school).
- Individuals may enter as many productions as they wish at the school level. Up to two videos from each school can be sent on to CISPG by May 4, 2018 for entry into the iGeneration Student Video Challenge (the form is available on the CISPG website – www.cispg.ca)
- Each entry must be uploaded to YouTube (with privacy settings set to “unlisted”) and the link submitted with your completed entry form. For assistance, contact Andrew at admin@sispg.com or view the ‘how-to’ screencast on the iGeneration page of our www.cispg.ca website.

Entry Fees

No cost to enter.

Prizes

- First Place out of all 8 CISPG Schools will receive an iPad and case or something of equal value and the privilege of having their video on the CISPG website
- Second place will receive a \$50 iTunes Gift Card.
- First place for the “Class Entry” Category will be \$250 towards a class activity or field trip

Most of all, we hope students will enjoy learning how to use technology in an engaging and meaningful manner where they create, collaborate, analyze, and demonstrate their learning and understanding in an exciting manner.
