CISPG LEARNING UPDATE

BUILDING VIBRANT CATHOLIC LEARNING COMMUNITIES

APRIL 1, 2016

CISPG PROFESSIONAL LEARNING

All teachers and administrators are invited to join us for two days of professional learning in April. On April 22, schools in the “western region” will welcome Linda O’Reilly from Vancouver who will share her “Navigator” tool designed to assist teachers in exploring and planning the redesigned curriculum. The workshop is offered to teachers from Kindergarten to grade 5. Teachers from grades 6 – 9 will welcome Andrea DeSantis and Jill Kitching from Holy Cross Regional School, one of the BC Innovation Schools. Jill and Andrea are currently working with new ways of “communicating student learning”. On April 25, Prince George schools will join Linda O’Reilly and the “Navigator” workshop. Please see posters attached to this email for more detailed information. The Navigator program will be available to all CISPG educators free of charge 😊

SPRING FLING

The annual “Spring Fling” will once again take place in Prince George on Friday, April 22. This day of professional learning is offered by Prince George, Quesnel, and Nechako Lakes school districts. Please check the following for further information: SD #57 website or <http://www.edfling.ca/>

ABORIGINAL UNDERSTANDINGS

Take a look at the following video by Dr. Martin Brokenleg introducing the British Columbia First Nations Principles of Learning and the application of these concepts to Canadian education:

WELCOME BACK!

Welcome back to the final term of the year. In the next few months, we will continue to share our learning and begin to plan for the upcoming school year. In April, we have two very exciting sessions planned for the “western” and Prince George regions. Please see the links for more information.

If you have borrowed resources from CISPG, please return them at your convenience so that the materials can be made available to others. Many thanks!

These Learning Updates can be found on the cispg.ca website under the tab “curriculum”.
