CISPG LEARNING UPDATE

INCLUSIVE, INNOVATIVE & INSPIRING CATHOLIC LEARNING COMMUNITIES

October, 2016

WHAT'S NEW?

New information regarding the redesigned curriculum is continually updated on the Ministry website! As well, we have now posted all relevant downloaded curriculum materials to our [CISPG Website](http://www.cispg.ca) under the curriculum tab. Files are posted using the following topics: Aboriginal Resources, Big Ideas, Core Competencies, Curricular Competencies, Curriculum Elaborations, Inquiry, Lesson Plans, Short Term (Unit) Planning Templates, Year at a Glance (Course Overview) Templates. Please let me know if you would like to have additional categories. As well, please share any relevant documents (e.g. unit plans) with me and I will add them to the website ☺

IMPORTANT LINKS:

- Check out the [Instructional Samples](#) on the Ministry Website. These K-9 instructional samples show how teachers from across the province have interpreted the redesigned BC Curriculum to plan learning experiences for their students.
- For teachers new to our Diocese, check the [Tools](#) page on the Ministry Website for background information.
- All teachers should read the [Educator Update](#) for information on the official redesigned K-9 curriculum.
- All teachers should be familiar with the [Interim Reporting Document](#) that is in place for 2016-2017.

COMMUNICATING STUDENT LEARNING:

We are currently in the process of creating a set of guidelines for Communicating Student Learning (previously known as reporting) for 2016-2017. Please be patient as this involves some research and consultation. Guidelines will be shared with staffs immediately after the session with Pat Horstead on October 21 ☺

SAVE THE DATES

FRIDAY, OCTOBER 21:

"MOVING FROM REPORTING TO COMMUNICATING STUDENT LEARNING"

Please join us (in person or by streaming) on October 21 at UNBC for a session on Communicating Student Learning. Pat Horstead from the BC Ministry of Education will focus on the K-9 Reporting Order and what that means for schools in 2016-2017. Please check the poster in your school for further details.

MONDAY, JANUARY 30:

"EXPLORING THE CORE COMPETENCIES"

The session will focus on exploring the competencies, student self-assessment and self-reflection and how they link to the interim reporting document.
