

Policy

The principal of the school is responsible for the evaluation of all teachers.

Procedures

Evaluations will be completed in accordance with the CISBC Framework for Professional Growth: Teacher and submitted to the Superintendent. The Framework is made available by the principal.

All teachers must be evaluated in their first, second, and every fifth year thereafter. A teacher may request an additional evaluation. A principal may complete additional evaluations.

Teachers will complete an Annual Professional Learning Plan using the CISPG Reflective Guide and share it with their principal each fall and spring.
